ICS

OUR ICS TEAM IS EXPANDING!

We added **MORE TEAM MEMBERS** to set up new events and answer support questions.

If you need assistance with ICS, the [ICS Help Center](#) is available 24/7 with articles and videos.

If you still have questions, **select the 'Support' widget** or email support@icsmg.com, and our dedicated Software Support Team will be glad to help.

Our Implementation Team is also trained and ready to set up your new events for Fall 2023!

REMINDER: When submitting a new [Recruitment Event Setup Form](#), allow 5-7 business days for event setup completion.

Have no fear, Connie will still assist our implementation and support teams.

Thank you for continuing to allow ICS to assist you with your recruitment needs.
