OMEGAFI®

**RELEASE NOTES**

OmegaFi is busy working for you. Check out our recent product updates!

ACCESS AND LOGIN ENHANCEMENTS

Our Identity Access Management (IAM) system **streamlines logins** AND creates an **efficient Single Sign-On (SSO) development process**.

Additionally, users now have a self-serve feature to merge multiple accounts.

Check it out.

LegFi

It's officer transition time! The **LegFi Help Center** has a new section just for new administrators.
Find out more *HERE* and make certain to **view the new resources**.

OMEGAFI®

We enhanced OmegaRecruit's voting reports!
View matching selections in each, separate round.
Also, categories now appear in Voter Audit
Reports. ***Read about it.***
