Compass

The Housing Occupancy Report is now available in Compass! House details and residency info are updated in Vault, which builds the report in Compass. [See what it's about.](#)

National Desktop improved report formatting. We updated the *Aging Detail by Chapter* report, *Income Statement* and *Receipt Disbursement Summary* to give you **more and better options** for pulling this global information for your organization. [Take a look.](#)

COMING SOON!

[Check out](#) the bottom section of the release notes for more info on upcoming enhancements in Vault and LegFi!
