Vault

We've added new features to Vault!

Vault admins can make sure confidential financial information is appropriately visible. Easily grant the access via the click of a button.

Manage Bill Pay Transaction Details & Accounting Transaction Details Access

- Users can view **Detailed Itemized Information** for all registers and accounting reports.
- All users that had manage access to the **Bill Pay** and **Accounting Tabs** now have **Manage Transaction Details** and **Manage Accounting Details** access as well.

Manage Bill Pay & Accounting Access

- Users will have the ability to view **Summary Level Data** each register and accounting report.

OMEGAFI®

- All users given **Manage Bill Pay** and **Manage Accounting Access** going forward will need to be given the additional permissions if they need to view itemized information.

Start using this new feature today. Read our [Blog Post](#) and visit the [Vault Knowledge Base](#) for 24/7 help.
